Kevin / Boston:

I have included my comments to the two Covance amendments. I am still uncomfortable with the numbers (especially in Amendment 2), but I think I worked out the language so that we will be covered concerning any advance payments that might have already been made. I suggest having a sit down w/ Covance to go over the financials. Please give me a call on my cell if you have any questions.

Chris.

PS. I also commented on the attachments.
